

ART CLUB AT IZIKO

LEARNER SUPPORT: ART

This resource aims to guide learners and parents/teachers through weekly activities which require simple art making materials and recycled materials. The activity is suitable for children with any level of exposure and ability in art.

WHAT YOU'LL NEED

- Newspaper
- scissors
- colour crayons/pastels
- glue

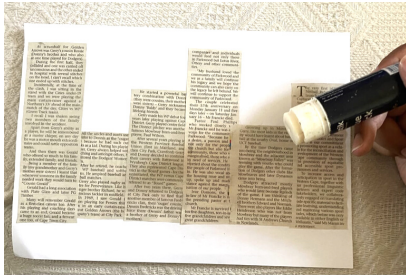

Newspaper City

STEP 1

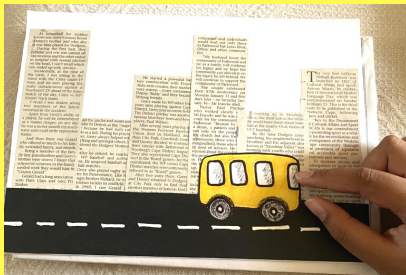

Cut out the column sections of the newspaper into different heights. This will give the buildings in your city different heights.

STEP 2

Use glue to paste the newspaper columns to start forming your city skyline and buildings.

STEP 3

You can now draw roads, cars, people, flowers sellers, food stands, lights posts etc. You can decide how busy your city scene will be.

STEP 4

Use your crayons, markers or pastels to add colour to your buildings. You can even include labels to the buildings to describe the type of building like; 'hospital', 'hotel', 'Convenient Store' etc.
