

ART CLUB AT IZIKO

LEARNER SUPPORT: ART

This resource aims to guide learners and parents/teachers through weekly activities which require simple art making materials and recycled materials. The activity is suitable for children with any level of exposure and ability in art.

WHAT YOU'LL NEED

- shoe box/ tissue box
- scissors/ Blade
- colour paper/ paint
- crayons/markers

Box Monster

STEP 1

Use a tissue box or a shoes box for the body of your 'box monster'. Any box can work depending on the size of your artwork.

STEP 2

Draw a circle where you want the mouth of your monster to be. Draw the outline and cut the area to create the hole for the mouth.

STEP 3

You can chose to use paper/paint to design your 'box monster'. You can paint/cover larger areas choosing 1 or 2 colours for your creation.

Make sure all your parts are secured with glue.

STEP 4

Use any paper to cut out eyes, nose, hair, freckles, eyebrows, fangs, etc. to give your 'box monster' as much personality as you want.
